3. Make as many exact copies of Z++ Visual as you wish, for purposes of distribution as described in (1) and (2) above.

For purposes of the foregoing, an "exact copy" of Z++ Visual means a file that is identical, at the time you create the copy, to the Z++ Visual distribution file available at www.zhmicro.com.

You are specifically prohibited from charging, or requesting donations, for any distributed copies, however made, or from distributing such copies with other products of any kind, commercial or otherwise, without prior written permission from ZHMICRO. Also, you are specifically prohibited from charging, or requesting donations, for providing access to any hyperlink or other method that allows a user to create or transfer electronically copies of Z++ Visual.

ZHMICRO reserves the right to revoke any or all distribution rights at any time, for any or no reason.

All rights of any kind in Z++ Visual which are not expressly granted in this License are entirely and exclusively reserved to and by ZHMICRO. Neither ZHMICRO nor any of its affiliates or licensors warrant, guarantee, or make any representations regarding the use of, or the results of the use of, Z++ Visual. Neither ZHMICRO nor any of its affiliates or licensors warrants that the operation of Z++ Visual will be uninterrupted or error-free, or that the use of any passwords and/or encryption features will be effective in preventing the unintentional disclosure of information contained in any file. You acknowledge that good data processing procedure dictates that any program, including Z++ Visual, must be thoroughly tested with non-critical data before there is any reliance on it, and you hereby assume the entire risk of all use of the copies of Z++ Visual covered by this License. This disclaimer of warranty constitutes an essential part of this License.

Except to the extent expressly prohibited by applicable statutes, ZHMICRO, its affiliates or licensors shall not be liable for any damage or financial loss arising out of the use of, or inability to use, Z++ Visual. Any liability of ZHMICRO, its affiliates or licensors will be limited exclusively to refund of any license or registration fee paid to ZHMICRO. Except to the extent expressly prohibited by applicable statutes, in no event shall ZHMICRO, or its principals, shareholders, officers, employees, affiliates, licensors, contractors, subsidiaries, or parent organizations, be liable for any direct, indirect, incidental, consequential, special, or punitive damages whatsoever relating to the use of Z++ Visual, or to your relationship with ZHMICRO, its affiliates or licensors (including, without limitation, loss or disclosure of data or information, loss of profit, revenue, business opportunity or business advantage, or business interruption), whether based upon a claim or action of contract, warranty, negligence, strict liability, contribution, indemnity, or any other legal theory or cause of action, even if advised of the possibility of such damages.

6. Indemnification:

At your own expense, you shall indemnify, defend, and hold harmless ZHMICRO, its affiliates and licensors, and their directors, officers, trustees, shareholders, employees, agents, successors and assigns from and against any and all claims, expenses, losses, damages, costs, liabilities and

7. General:

Z++ Visual, including, without limitation, the information included in its accompanying distributable files, data and materials and any related activation code and registration code files or information, and the know-how embodied in Z++ Visual, is confidential and trade secret information (the "Proprietary Information") that is proprietary to and solely owned or licensed by ZHMICRO, together with all related copyrights and trademarks relating thereto. You agree to maintain the Proprietary Information in strictest confidence for the benefit of ZHMICRO and its licensors. You shall not sell, license, publish, display, distribute, disclose, or otherwise make available or allow to be made available the Proprietary Information, including, without limitation, any activation codes or registration code files, to any third party nor use such Proprietary Information except as authorized by this License. The obligations under this paragraph shall survive any termination or cancellation of the License.

This License is the complete statement of the agreement between the parties on the subject matter, and merges and supersedes all other or prior understandings, purchase orders, agreements, and arrangements.

This License shall be governed by the laws of the State of Texas, without regard to Texas choice-of-law rules. Exclusive jurisdiction and venue for all matters relating to this License shall be in courts located in the State of Texas, and you consent to such jurisdiction and venue.

There are no third-party beneficiaries of any promises, obligations, or representations made by ZHMICRO herein.

Any waiver by ZHMICRO of any violation of this License by you shall not constitute, nor contribute to, a waiver by ZHMICRO of any other or future violation by you of the same provision, or any other provision, of this License.

You acknowledge and agree that monetary damages alone would not be an adequate remedy in the event of a material breach by you of your obligations or agreements under this License and that, in such event, ZHMICRO or any of its affiliates shall be entitled to injunctive relief to require you to comply with its obligations hereunder. Any remedy available under this License shall be cumulative and not exclusive of any other remedy available ZHMICRO or any of its affiliates under this License, at law or in equity.

If any part of this License or the application thereof to any person or circumstance is for any reason held invalid or unenforceable, it shall be deemed severable, and the validity of the remainder of this License, or the applications of such provision to other persons or circumstances, shall not be affected thereby.
